4 Select Nurse on duty.

DUTY HANDOVER

Duty handling Alert

The individual performing a duty handover must be logged into the system and should be the one initially assigned the duty. The recipient of a duty is required to authenticate his/her identity by providing the password before accepting the responsibility. This ensures secure and accountable task transfers within the system.

6 Select Ward/Wards to be handled over

The screenshot shows a 'Duty Handover' form with a modal overlay. The modal has a close button (X) in the top right corner. Inside the modal, there is a red alert box with the following text: 'Alert: Performing a duty handover must be logged into the system and should be the one initially assigned the duty. The recipient of a duty is required to authenticate his/her identity by providing the password before accepting the responsibility. This ensures secure and accountable task transfers within the system.' Below the alert, there is a dropdown menu on the left and a search bar on the right. The search bar contains the text 'Shared Wards' and has an orange circle highlighting the search icon. A 'Save' button is located at the bottom right of the modal. In the background, a table with the header 'Action' is visible, containing two 'View Wards' buttons and a pagination bar showing '1 - 2 of 2'.

7 Click "ICU WARD"

The screenshot shows the 'Duty Handover' form with a search dropdown open. The dropdown lists the following options: 'DIALYSIS MALE SURGICAL WARD', 'DIALYSIS WARD', 'EMERGENCY WARD', 'FEMALE MEDICAL WARD - E', and 'ICU WARD'. The 'ICU WARD' option is highlighted with an orange circle. The form also includes a 'User' dropdown menu with 'Erick' selected and a 'Save' button at the bottom right.

The screenshot shows a web form titled "Duty handling Alert" with a red header bar. Below the header, there is a search dropdown menu that is open, displaying a list of names with checkboxes: ABDULLA MAHMOUD ABDALLA, Abdulmajid Khamis Ngwali, ABDULRAZAK SAID META, ABDULRAZAK SAID META, and ABDURABI HASSAN MOHAMED. An orange circle highlights the bottom of this dropdown menu. To the right of the dropdown, there is a text area containing instructions: "logged into the system and should be the one initially to authenticate his/her identity by providing the password... and accountable task transfers within the system." Below this text area, there is a "Shared Wards" dropdown menu showing "DIALYSIS WARD, EMERGENCY WARD, FE...". Below that is a "Password *" field with a toggle icon. At the bottom right is a "Save" button.

17 Click the "Password " field.

This screenshot shows the same "Duty handling Alert" form, but with a different focus. The search dropdown menu is closed. The "Shared Wards" dropdown menu is still open, showing "DIALYSIS WARD, EMERGENCY WARD, FE...". Below it, the "Password *" field is highlighted with an orange circle. The "Save" button is visible at the bottom right. In the background, there is a sidebar with an "Action" section containing two "View Wards" buttons and a pagination indicator showing "1 - 2 of 2".

18 Click "Save"
