

How to Access and create Checklists of Procedures

1

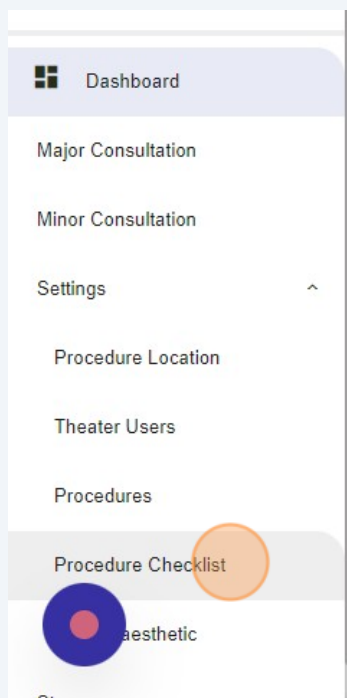

Click this icon.

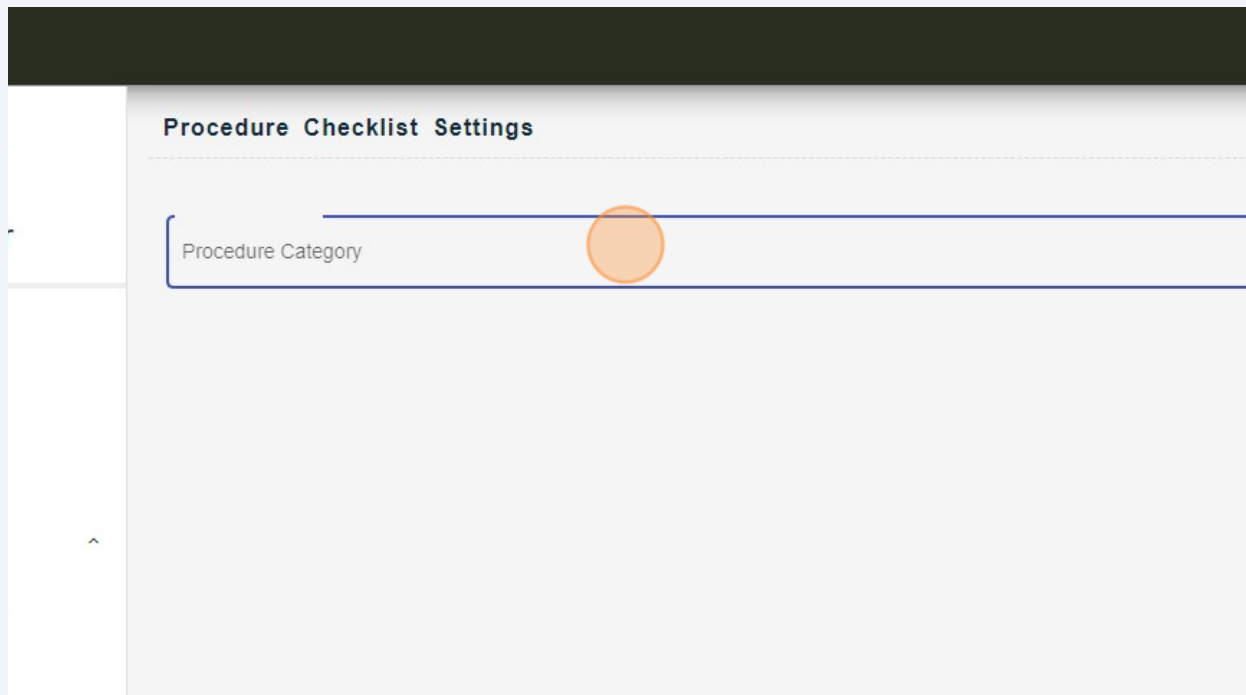

2 Click "Settings"

3 Click "Procedure Checklist"

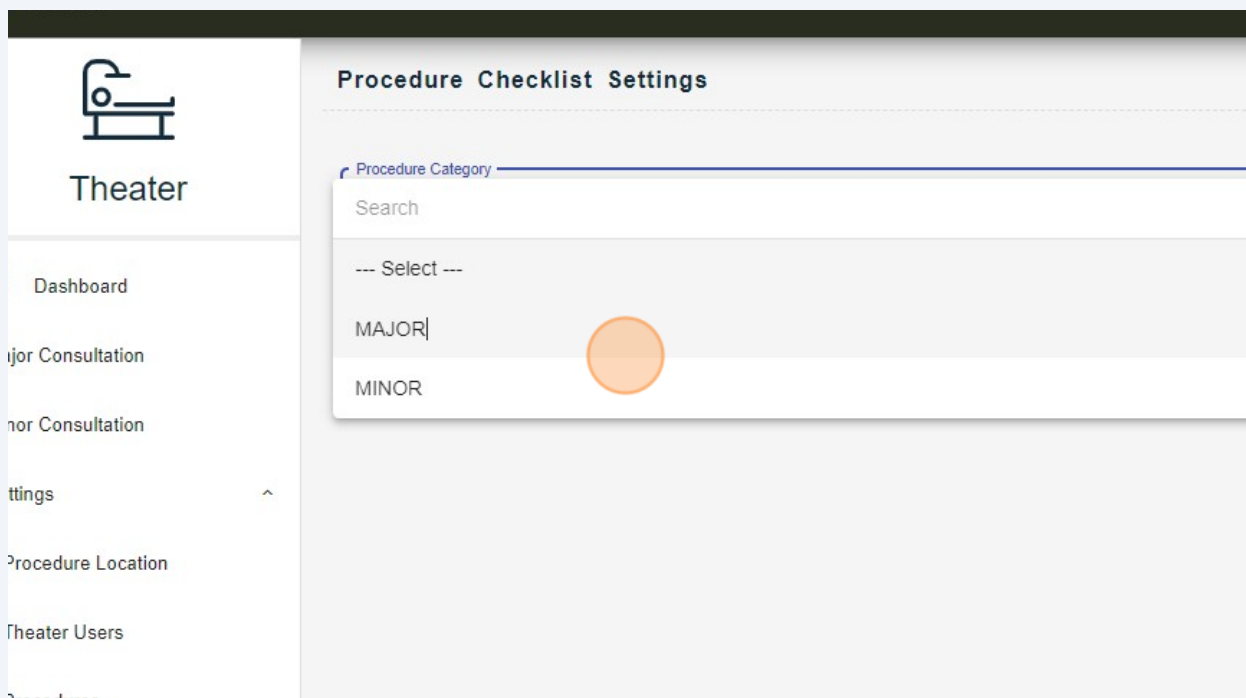

4 Click "Procedure Category"

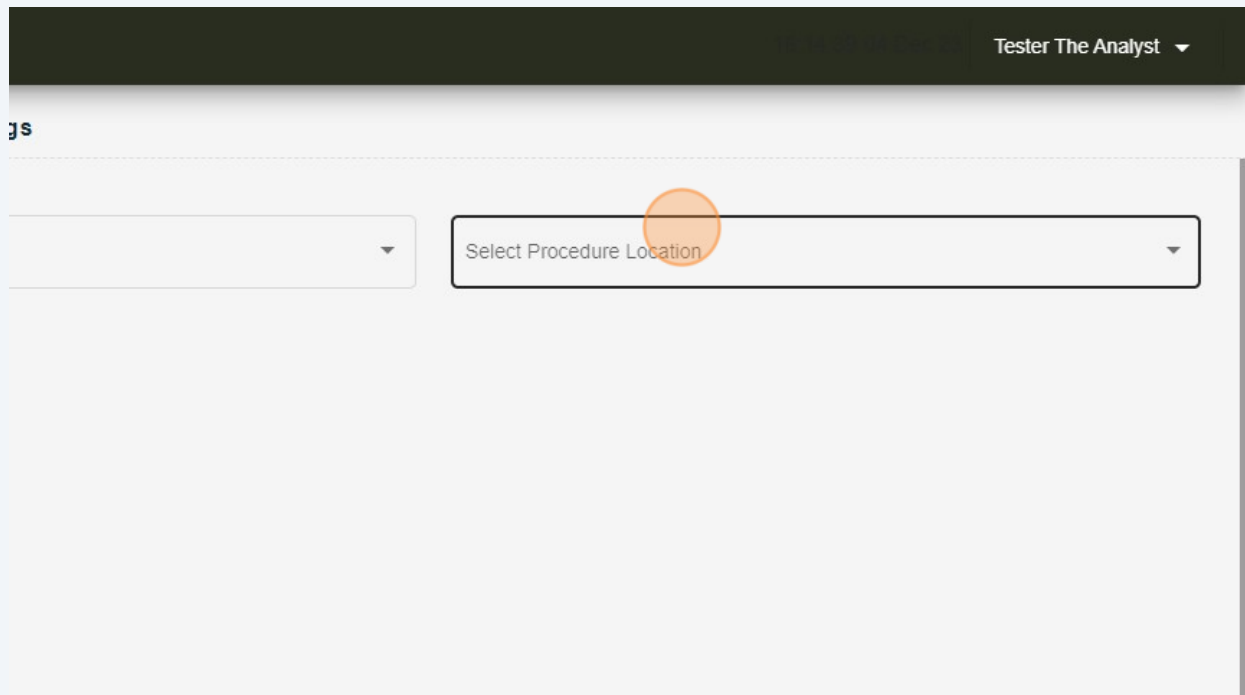

The screenshot shows a web application interface. At the top is a dark header bar. Below it is a sidebar on the left with a white background, containing a menu with an upward arrow at the bottom. The main content area has a light gray background and is titled "Procedure Checklist Settings" in bold. Below the title is a form with a blue border. Inside the form, the text "Procedure Category" is followed by an orange circle, indicating the field to be clicked.

5 Click "MAJOR"

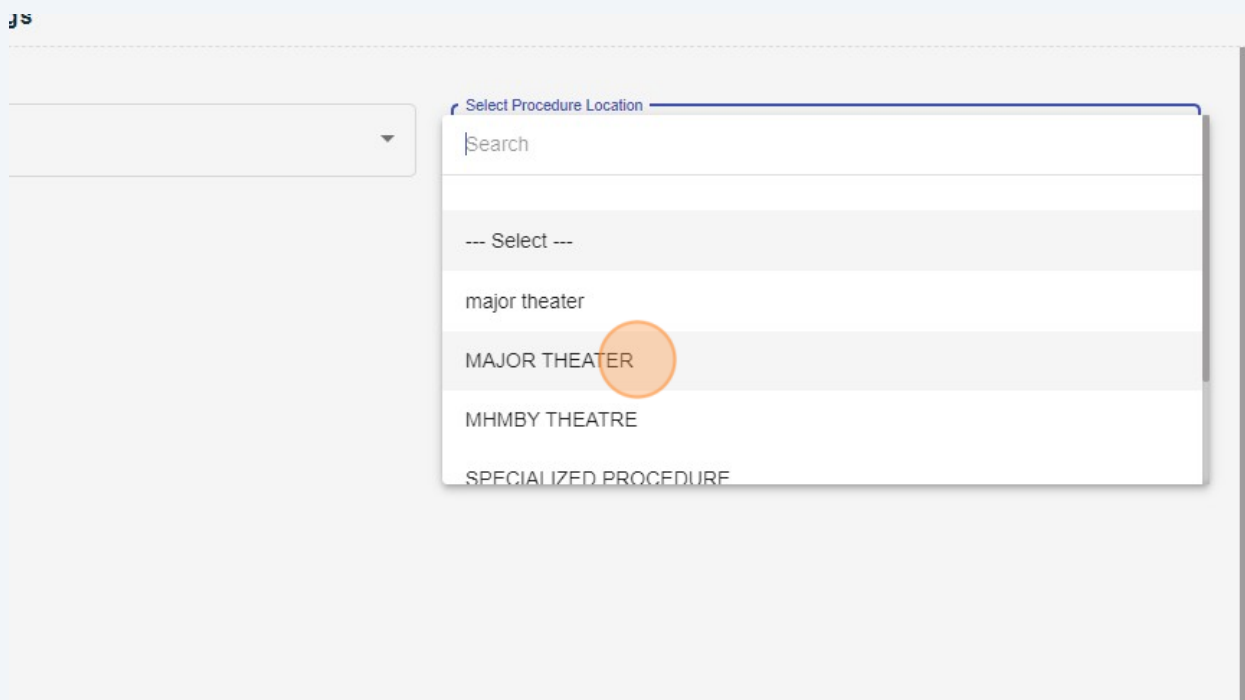

The screenshot shows the same web application interface as before, but with the "Procedure Category" dropdown menu open. The dropdown menu is white with a gray border and contains the following options: "Search", "--- Select ---", "MAJOR|", and "MINOR". An orange circle is placed over the "MAJOR|" option, indicating it should be selected. The sidebar on the left now shows a theater icon and the word "Theater" above a list of menu items: "Dashboard", "Major Consultation", "Minor Consultation", "Settings", "Procedure Location", "Theater Users", and "Procedures".

6 Click here.

The screenshot shows a web interface with a dark header bar on the right containing the text "Tester The Analyst" and a dropdown arrow. Below the header, there is a form area. On the left, there is a small "js" label and a dropdown menu. To the right of this is a larger dropdown menu labeled "Select Procedure Location". An orange circle highlights the text "Select Procedure Location" in the dropdown menu.

7 Click "MAJOR THEATER"

The screenshot shows the same web interface as in step 6, but with the "Select Procedure Location" dropdown menu open. The menu displays a search bar with the text "Search". Below the search bar, there is a list of options: "--- Select ---", "major theater", "MAJOR THEATER", "MHMBY THEATRE", and "SPECIALIZED PROCEDURE". An orange circle highlights the option "MAJOR THEATER".

8 Click "Select Procedure"

10 Click "add"

The screenshot shows a web application interface. At the top, there are two input fields. Below them is a large, empty rectangular area. Underneath this area is a table with a header row labeled 'Action'. The table has several empty rows. To the right of the table, there is a vertical column of red trash can icons. At the bottom right of the table, there is a circular button with a plus sign (+) inside, which is highlighted with a brown border.

11 Click here.

The screenshot shows a web application interface. At the top, there is a form with two input fields. The first field is labeled 'gory' and has a dropdown arrow. The second field is labeled 'Select Procedure Location' and has the text 'MAJOR THEATER' inside. Below this form is a modal window titled 'ION FACILITY CHECKLIST FORM'. The modal has a close button (X) in the top right corner. Inside the modal, there are two input fields. The first field is labeled 'st Name' and has a dropdown arrow. The second field is labeled 'klist Name' and has a dropdown arrow. An orange circle is positioned over the dropdown arrow of the 'klist Name' field. At the bottom right of the modal, there is a 'Save' button.

12 Search and select items you wish to add to the Checklist

OPERATION FACILITY CHECKLIST FORM

14 Click "Save"

The screenshot shows a web application interface. At the top, there are two tabs: 'IST FORM' (active) and 'MASK TREATMENT'. Below the tabs is a form with a dropdown menu containing the text 'RUBBER STERILE 7.5CM, SYRINGE 60CC, SYRINGE 5CC'. To the right of the dropdown is a 'Save' button, which is highlighted by an orange circle. In the bottom right corner of the application, there is a circular button with a white plus sign on a dark background.
