8 Search and select appropriate Turning position

The screenshot shows a web application interface. On the left is a sidebar menu with items: Dashboard, Admission Request, Admitted Patients, Patient Treatment, Discharge Request, Discharged Patients, DAMA Patients, Duty Handover, and Ward Management (highlighted with a red circle). The main area displays a 'TURNING FORM'. It features a 'Select Position' dropdown menu that is open, showing a search bar and a list of options: --- Select ---, FOWLER (highlighted with an orange circle), LATERAL, LEFT, and ORTHOPNEIC. To the right of the dropdown is a 'Remarks *' text input field. Below the dropdown, the text 'Nothing found' is visible.

9 Add the "Remarks *" field. ie. turned

This screenshot shows the 'TURNING FORM' with a patient header: 'ICAL WARD No. 8 | KAMWEZI JUAkali MWANGA | CIVILIAN [Self Referral] | 940-149677/23 |'. The form includes a 'Select Position' dropdown menu with 'FOWLER' selected. The 'Remarks *' text input field is highlighted with an orange circle. Below the dropdown is a date input field with a calendar icon. A 'Save' button is located at the bottom right of the form. In the background, an 'Output Form' button and an 'Add Turning' button are visible. The text 'Nothing found' appears at the bottom of the page.

12 Click "Save"

The screenshot displays a web application interface. A modal form is open in the foreground, featuring a close button (X) in the top right corner. The form contains a dropdown menu, a text input field labeled "Remarks" with the value "turned", and a date picker icon. A prominent orange "Save" button is located at the bottom right of the modal. In the background, a table area shows "Nothing found". To the right of the modal, there is a button labeled "Output Form" and another labeled "Add Turning Record". At the bottom of the page, a pagination bar indicates "Items per page: 10" and "0 of 0", with navigation arrows.
