

# Step-by-Step Guide: Granting Ward Access to Users (Nurses)

1

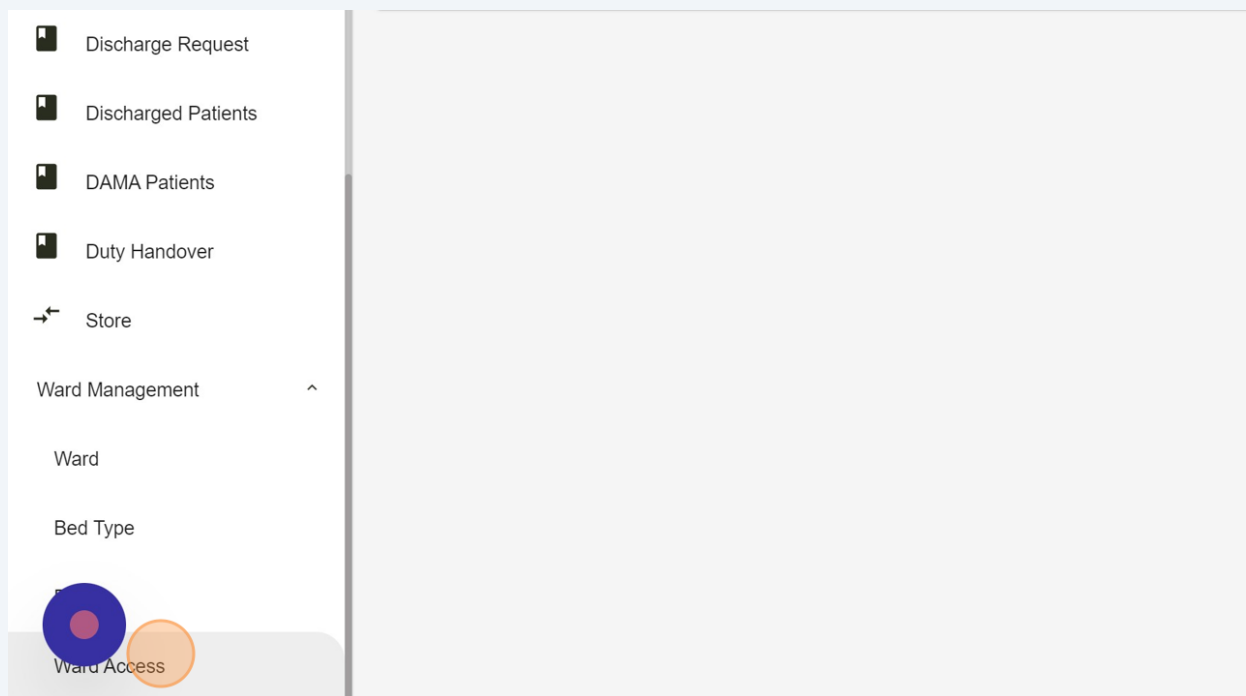

Click here.

## 2 Click "Ward Management"

## 3 Click "Ward Access"

**4** Click "Select User or Nurse"

The screenshot displays a web application interface. On the left is a vertical sidebar menu with the following items: 't Treatment', 'arge Request', 'arged Patients', '. Patients', 'handover', and 'gement'. The main content area is titled 'Nurse Ward Allocation' and features a search bar. Inside the search bar, the text 'Select User or Nurse' is visible, and an orange circle is placed over this text to indicate where the user should click. The search bar is a simple rectangular input field with a thin border.

**5** Search and select User or Nurse

## 10 Click Wards you wish to grant Access

The screenshot shows a sidebar on the left with the following items: Discharge Request, Discharged Patients, DAMA Patients, Duty Handover, Store, Ward Management, Ward, Bed Type, and Ward Access. The 'Ward Access' item is highlighted with a blue circle. The main content area is titled 'NURSE ALLOCATION FORM' and includes a 'Select User or Nurse' dropdown, a 'SELECT WARD FOR: Erick' label, a 'Name' input field, a 'Search' button, and a list of wards with checkboxes: DIALYSIS MALE SURGICAL WARD (checked), DIALYSIS WARD (unchecked), EMERGENCY WARD (unchecked), FEMALE MEDICAL WARD - E (unchecked), and ICU WARD (unchecked).

## 11 Click here.

The screenshot shows the same sidebar and form as in step 10. In this step, the 'DIALYSIS WARD' checkbox is highlighted with an orange circle. The 'Ward Access' button in the sidebar remains highlighted with a blue circle. The form content is identical to the previous step, showing the 'NURSE ALLOCATION FORM' with the 'DIALYSIS MALE SURGICAL WARD' and 'DIALYSIS WARD' checkboxes selected.
