8 Click the "Additional Notes" field.

The screenshot shows a medical form with a sidebar on the left containing menu items like 'Testing', 'Result Approval', 'Test Results', 'Referrals', 'Test Results', 'Samples', 'Orders Summary', and 'Patient'. The main form area has a 'Diagnosis' section with a list of conditions: 'S42.2. Fracture of upper end of humerus [Provision]', 'S42.2. Fracture of upper end of humerus [Provision]', 'S43.0. Dislocation of shoulder joint [Confirmed]', and 'S42.2. Fracture of upper end of humerus [Confirmed]'. Below this is a 'Select Test Result Type' section with three radio buttons: 'Description', 'Qualitative', and 'Quantitative'. To the right of these is an attachment icon and the text 'chest.jpeg'. At the bottom, the 'Additional Notes' field is highlighted with an orange circle.

9 Click "Save Result"

The screenshot shows a medical form with a sidebar on the left containing menu items like 'Clinical', 'Search', 'Date', and 'Nov 14', 'Oct 26', 'Sep 20'. The main form area has a 'RESULT DETAILS' section with a table of patient information: 'Investigation: SERUM/BLOOD CREATININE', 'Sample Number: 074232993', 'Ordered By: Juma Iddi Jumanne | FROM OPD', 'Sample Taken By: Juma Iddi Jumanne', and 'Sample Collected By: Juma Iddi Jumanne'. Below this is a 'Diagnosis' section with a list of conditions: 'S42.2. Fracture of upper end of humerus [Provision]', 'S43.0. Dislocation of shoulder joint [Provision]', 'S42.2. Fracture of upper end of humerus [Provision]', 'S43.0. Dislocation of shoulder joint [Confirmed]', and 'S42.2. Fracture of upper end of humerus [Confirmed]'. Below this is a 'Select Test Result Type' section with four radio buttons: 'Description', 'Qualitative', 'Quantity', and 'Attachment'. To the right of these is an attachment icon and the text 'chest.jpeg'. At the bottom, the 'Additional Notes' field contains the text 'see attachment'. The 'Save Result' button is highlighted with an orange circle.

10 Click "Yes"
