8 Click "Comments chevron_right"

The screenshot shows a medical evaluation interface. At the top, there are four tabs: "Pre Operation Evaluation", "Post Operation Evaluation", "Post Operative Notes", and "Intra Operation Evaluation". Below these tabs is a "Surgery Team" section. A large, empty text area for comments is visible. On the right side of this text area, there is a button labeled "Comments" with a right-pointing chevron icon. This button is highlighted with an orange circle.

9 Click "Respond"

The screenshot shows a medical procedure details page. At the top, there is a header bar with the text "Tester The Analyst" and a dropdown arrow. Below this, there is a patient information bar: "Mandonga Mtu Kazi (79) | MALE | 941-00870/23 | CAESEARIAN SECTION | MMJ SPONSOR". To the right of this bar is a circular icon with a right-pointing chevron. Below the patient information bar, there are two tabs: "1 Procedure Details" and "2 Procedure Response". The "2 Procedure Response" tab is selected. Below the tabs, there is a "Comments" section. It contains three entries, each with a number in a box, a name, a timestamp, and a comment. The first entry is "01. | Tester The Analyst | DRAFT At Monday, December 4, 2023 6:09 PM | Procedure added". The second entry is "02. | Tester The Analyst | CONSULT ANAESTHESIA At Monday, December 4, 2023 6:10 PM | Evaluate for Surgery". The third entry is "03. | Tester The Analyst | APPROVED At Monday, December 4, 2023 6:21 PM | fit for surgery". At the bottom right of the comments section, there is a button labeled "Respond" with a right-pointing chevron icon. This button is highlighted with an orange circle.
