7 Type "lugalo"

8 Click "LUGALO"

The screenshot shows a web application interface. On the left is a sidebar with a menu containing 'Consultation', 'GBV/VAC', 'Death Certifications', and 'Store'. A blue circular icon is at the bottom of the sidebar. The main content area has a header with a 'NORMAL REFERRAL' button. Below the header is a form with a 'Referring To' dropdown menu. The dropdown is open, showing options: 'lugalo', '--- Select ---', 'LUGALO', 'Lugalo Dialysis', and 'LUGALO RCH'. An orange circle highlights the 'LUGALO' option. The 'lugalo' option is currently selected in the dropdown.

9 Click the "Discription *" field.

The screenshot shows the same web application interface as before. The 'Referring To' dropdown menu is now closed, and 'LUGALO' is selected. Below the dropdown is a text input field labeled 'Discription *'. An orange circle highlights this field. To the right of the input field is a 'Save Referral' button. On the far right, there is a section with 'Patient Name' (MANDONGA MTU) and 'Referred Hospital' (LUGALO).
