

Registering a New Patient (MAN) in the System and Starting a Visit

1 Click here.

2 Click "Client Registration"

The screenshot shows a web application interface for a registration dashboard. On the left is a sidebar menu with the title "Registration" and an icon of a person at a desk. The menu items are: "Dashboard", "Client Registration" (highlighted with an orange circle), "Client Triages", "Corpse Registration", "Referred Clients", and "Store". The main content area is titled "Registration Dashboard" and contains a "Start Date *" input field. Below this is a green horizontal bar. At the bottom is a chart titled "Patients By Gender" showing a 50/50 split between Female (dark grey) and Male (blue).

4 Click "Register Patient"

A screenshot of a web form for patient registration. The form has a light gray header bar with the text "Cash / Exemptions". Below this is a white input field with a downward arrow on the right. At the bottom right of the form is a dark gray button with the text "Register Patient" in white. An orange circle highlights the "Register Patient" button.

5 Click here.

A screenshot of a web form. At the top, there is a dark gray header bar. Below it is a white input field with the letter "M" on the left. A horizontal dashed line is below the input field. Further down, there are three radio button options: "DEPENDANT", "MAN", and "OFFICER". The "MAN" option is selected, indicated by an orange circle around its radio button. At the bottom of the form is a dark gray footer bar.

6 Click the "Service Number *" field.

The screenshot shows a web application interface. On the left is a sidebar with a menu containing "Client Triages", "Corpse Registration", "Referred Clients", and "Store" (with a back arrow icon). The main area displays the "CLIENT REGISTRATION FORM". The form has a step indicator with "1" next to "Client Type". Below this, it says "Choose Client Type" followed by three radio button options: "CIVILIAN", "DEPENDANT", and "MAN" (which is selected). Below the radio buttons is a text input field labeled "Service Number *" in red. This field is highlighted with a red border and an orange circle. Below the field, the text "Service Number is Required" is displayed in red. The form is set against a light gray background.

7 Click "Next"

This screenshot shows the same "CLIENT REGISTRATION FORM" as in the previous step, but now the "Service Number" field is filled with the text "MT 107700". The "MAN" radio button remains selected. At the bottom right of the form, a brown "Next" button is highlighted with an orange circle. The form is presented as a modal window with a close button (X) in the top right corner. The background of the application is visible but dimmed.

30 Click "MHIS"

The screenshot shows the DHMS Registration interface. A modal window titled "VISIT MANAGEMENT" is open, displaying the patient's name "Janeth Jackson Machera" and ID "974-04410/23 | MAN". Below this, there are two steps: "1 Payment Category" and "2 Visit Type". The "Payment Category" dropdown menu is open, showing options: "Self Referral", "MHIS", and "MILSPONSOR". The "MHIS" option is highlighted with an orange circle. The "Visted On" field is empty. A "Register Patient" button is visible on the right side of the modal.

31 Click "arrow forward"

The screenshot shows the DHMS Registration interface. The modal window titled "VISIT MANAGEMENT" is open, displaying the patient's name "Janeth Jackson Machera" and ID "974-04410/23 | MAN". Below this, there are two steps: "1 Payment Category" and "2 Visit Type". The "Payment Category" dropdown menu is open, showing options: "Self Referral", "MHIS", and "MILSPONSOR". The "MHIS" option is highlighted with an orange circle. Below the dropdown menu, there is a "Next" button with an orange circle containing a right arrow. The "Visted On" field is empty.

32 Click "Visit Type"

This screenshot shows a web form with a left sidebar and a main content area. The sidebar contains the following links: "Corpse Registration", "Preferred Clients", and "Store". The main content area has a header with the text "974-04410/23 | MAN". Below the header, there is a "Payment Category" field with a blue pencil icon. The "Visit Type" field is highlighted with an orange circle. At the bottom of the main content area, there is a black circular button with a white left-pointing arrow.

33 Select Visit type

This screenshot shows the same web form as in step 32, but with the "Visit Type" dropdown menu open. The dropdown menu contains the following options: "Search", "--- Select ---", "Emergency", "Followup", "Investigation", and "Normal". The "Normal" option is highlighted with an orange circle. The "Payment Category" field remains visible above the dropdown.

36 Click "arrow forward"

A screenshot of a web form. It features two white dropdown menus with blue borders and downward-pointing arrows. Below the second dropdown is a circular orange button with a white right-pointing arrow. Underneath this button is a small grey button with the text "Start Visit". The background of the form is white, and the rest of the page is grey.

37 Click "Ok"

A screenshot of a modal dialog box. It has a white background and a thin blue border. At the top center is a blue circle containing a white lowercase 'i'. Below this is the text "Direct Client With Medical Number 974-04410/23 To Consultation". At the bottom center is a circular orange button with a white right-pointing arrow and the text "Ok" in white. The background of the page is grey, and some text like "category" and "ULTATION SPECIALIST" is visible on the left side.
